Sri P.G.Muthappa, Range Officer, Murkal, has been granted leave on average pay for 21 days with effect from 23-4-1955 or from the date of availing himself of the leave, whichever is later. (V)

Under the Coorg T.A.Rules, if a Govt. servant is granted leave on average pay not exceeding four months, he is eligible for travelling allowance from his original station to the station to which he is transferred when he joins duty at his new station on the expiry of the leave. Therefore in the normal course Shri Muthappa is eligible for T.A. both for himself and his family on transfer from Murkal to Tithimathi. 12

No doubt the transfer order ~~has been~~ is being issued in the case of Shri Muthappa on a representation made by him. But in the draft order now put up for approval it has been stated that the transfer of Shri Muthappa from Murkal to Tithimathi is on his own request. Under the rules if a transfer is ordered at the request of a Govt. servant from one station to another, no travelling allowance is admissible to him and to his family. But the point whether T.A. should be allowed to Shri Muthappa on transfer from Murkal to Tithimathi or not has now to be decided ~~not been discussed in the previous notes and the orders passed thereon~~. Orders are therefore solicited whether Shri Muthappa may be granted T.A. or not in connection with his transfer from Murkal to Thithimathi. 13

OFFICE NOTE.

FIXATION OF PAY OF SHRI M.K. MADAPPA.

Application dated the 23rd April, 1955 from Shri M.K.Madappa, officiating Upper Division Clerk, Chief Secretaria-t.

Shri. M.K.Madappa, officiating Upper Division Clerk Chief Secretariat represents that his pay may be fixed at Rs.120/- per month with effect from 1st January, 1954 in consideration of his educational qualification and service both milita-ry and civil and also the assurance given by the Chief Minister when he visited the nad office for jamabandy checking. He states that the following officials who are less qualified and juniors in service are drawing more pay:-

1. Shri B.G. Kuttappa	-	Rs. 190/-
2. Shri K.V. Subba Rao.	-	Rs. 144/-
3. Shri M. Rama Rao.		Rs. 110/-
4. Shri M.P. Nanaya.		Rs. 110/-
5. Shri K.P. Muddappa.		Rs. 105/-

He was transferred to the Secretariat as officiating Upper Division Clerk on 1st January, 1954 in the scale of Rs.80-220. Prior to his transfer to the Secretariat, he was officiating as parpathigar of Srimangala Nad and was drawing Rs.95/- per month, with effect from 30th March, 1953, in the scale of Rs.80-160. Had he continued as parpathigar on Rs.80-160, he would have drawn Rs.100/- per month on 30th March, 1954. The incremental stages up to Rs.160 are identical in Rs.80-160 and Rs.80-220/- scales. The duties of a parpathigar are in no way less onerous than those of an Upper Division Clerk though the scale are different.

Now the applicants contention is that prior to his transfer to the Secretariat the administration report work now being attended to by him, have been done by the Revenue Head Clerk and Clerks specially created for the purpose on higher scale of pay.

In this connection please see last paragraph of

P.T.O.

In this connection please see last paragraph of this office order No.C.B.C.S.562/54 dated the 27th July, 1954, On account of some allegations regarding certain revenue matters, his annual increments for two years from 30th March, 1954 were with held and he was permitted to draw Rs.105/- per month only with effect from 30th March, 1956. If his increments for two years from 30th March, 1954 had not been withheld, he would have drawn Rs.110/- per month(Rs.95 on 30th March, 1953; Rs.100/- on 30th March, 1954; Rs.105/- on 30th March, 1955, and Rs.110/- on the 30th March, 1956,) on 30th March, 1956, instead of Rs.105/- per month on 30th March, 1956.

Now he requests that in view of the fact that he was entrusted with a reponsible work of compiling the administration Report which was priviously being done by Revenue Head Clerk and Clerks specially created on higher scale of pay his pay may be fixed at Rs.120/- per month with effect from the date he took charge as Administration clerk in the Chief Secretariat i.e. on 1st January 1954. In his present application he represents that he was assured by the Chief Minister that his pay would be fixed at Rs.120/- per month with effect from the date of joining duty in the Secretariat (i.e. on 1st January 1954). In this connection it has been stated by the applicant that one Shri M.Rama Rao ex-parpathigar of Ammathy Nad has been given a ~~short~~ start of Rs.110/- by giving him 3 advance increments, though he used to draw Rs.95/- at the time when he was transferred as Head Clerk, Government College, Mercara.

He has further pointed out that Shri K.V. Subba Rao, and others who are juniors to him are drawing more pay than himself. It may also be pointed out that the ~~more~~ applicant in his previous appli-

previous application dated the 19th January, 1954 stated that he would have been on higher grade of pay much earlier than 1948, had he been in his civil service.

7 In the circumstances, it is for consideration whether his pay may perhaps be fixed at Rs.120/- with effect from the date he assumed charge as Administration Report Clerk, i.e. on 1st January, 1954.

Submitted for orders.

8 ~~At the time~~ Prior to the revision of the scales of pay on the basis of the recommendations of the Central Pay Commission, the scales of pay of clerical staff were 30-2½-50; 50-2½-75 & 75-5½-100. ~~After scale of pay of 75 to 100 or 75-5½-100 was considered not~~ Instead of creating the posts of 2 or 3 clerks on 50-2½-75 & 75-5-100, the then Chief Commr. ordered in March 1947 that one clerk in the scale of Rs. 100-5-125 should be able to do the work which was in arrears for 6 years. Accordingly a temporary post on 100-5-125 was created and Shri K.N. Seetharam was appointed to that post. After the scales of pay were revised, the scales of 75-5-100, 100-5-125 etc, were merged in the scale of 80-5-120-8-200-10½-220, and since then the admn. report is being done by a clerk in that scale.

Now that there is not much work in respect of the Compilation of Admn. Reports, he is attending to papers relating to Statistical organisation of the Cabinet Secty. the G.I.P., Mines & minerals, Geology, National Volunteer Force etc. He is also taking up some Revenue work sparingly. It seems that he could take up some more work. His only grievance seems to be that his seniority has been overlooked & that his juniors are getting promotions even though they are not qualified. In the circumstances it seems that his request to fix his pay at Rs. 1201- could be favourably considered and given effect to from 1.1.53 if not from 1.1.54 as per his request. For orders. so that he feels satisfied & he could take up some more work

In this Connection it is submitted that 11
the cases of Shri N.S. Narasimaya, B.N. Bellappa and B. Janaki Ram, who are doing hard work, deserve some consideration. In order to give them some encouragement, and also to make others to work hard and become deserving for special consideration, it is submitted that the above 3 cases may be given some advance increments in their own scales for the present. There are some others deserving such consideration, but their cases may be taken up some time later. For orders.

Good work can be taken in notice of only when the question of promotion comes. Every Govt. servant is expected to do the work entrusted to him very efficiently and promptly. If this is not done, the official concerned is liable to be punished by stoppage of increments etc., On the other hand if every one who does good work is to be specially awarded there will be no end to such awards and it is not usually done in Govt. service. Those who do good work could easily raise up to the top and they have got a right to claim when vacancies in higher posts occur.

In this particular case, the petitioner is not entitled to any consideration till 30-3-1956. Please see the last portion of the order dated 27th July 1954.
